### Indulge in Our Olive World

There is no better way to nurture and regenerate your skin than by applying natural eco-products. We produce our own olive paste – an olive product unique in the world and extremely rich in polyphenols. Polyphenols are herbal compounds with powerful antioxidant properties that protect the heart, blood vessels, and immune system, aiding in preventing chronic inflammatory diseases and cancers, with anti-aging properties. The treatment includes a rejuvenating body massage and nurturing face care.

### Island of Gods

This full-body massage comes from the island of Bali, famed as the Island of Gods. The unique technique of combining aromatherapy with gentle stretches, Thai massage, and reflexology stimulates the flow of oxygen in the blood. As a result, it brings a sense of well-being, calm, and deep relaxation.

- 60 min treatment – 110.00 €

### Aromatic Indulgence

This full-body massage incorporates the use of essential oils. The massage flows by alternating gentle and firm pressure on the body. Combined with the scents of the essential oils, the body and mind are stimulated to achieve total relaxation.

- 60 min treatment – 110.00 €

### Aid Your Muscles

This deep-tissue massage is mainly used to treat muscle contractures, strains, and injuries. It involves applying sustained pressure combined with slow deep strokes that target the inner layer of the muscles and connective tissue. It brings a sense of general well-being and pleasure.
